

## **Stormwater Construction Activity Permit ▪ Notice of Termination (NOT) Application**

Development Services Center ▪ 385 Kimbark St. Longmont CO 80501 ▪ 303-651-8330

This form shall be completed in order to terminate a Stormwater Construction Activity Permit. Submission of this application constitutes notice that the permittee named herein has terminated the permit issued by the City of Longmont and is no longer authorized to discharge to the City's municipal separate storm sewer system.

<b>GENERAL</b>	Permit Number	
	Project Name:	
	Project Location:	
	Company Name	Phone
	Contact Name	Email
	Address	
<b>FINAL INSPECTION*</b>	The City of Longmont (City) has verified that all permanent stormwater pollution controls have been permitted. The City performed a final inspection and determined that final stabilization has been achieved and all temporary stormwater controls have been removed.	
	City Signature	Date
<b>CERTIFICATION</b>	I certify under penalty of law that the soils at the site have been stabilized according to the requirements of the City and temporary erosion and sediment control measures have been removed. I understand that, by submitting this NOT, I am no longer authorized to discharge stormwater associated with construction activity, and that discharging pollutants in stormwater associated with construction activity to the City's storm sewer system or waters of the state is unlawful under Chapter 14.26 of the Municipal Code .	
	Permittee Signature	Date
	Name (print)	Title

\* City Construction Inspector, or other authorized City staff, must perform the final stabilization inspection and sign this form.

### **To be filled out by City staff**
